AUSTRALIAN BLACK TRUFFLE RANGE

All contain Australian Black Truffles

- Random Harvest's **new Australian Truffle range** showcases the best of our world famous Australian Truffles to create the ultimate Truffle indulgence.
- Our Truffle Oil and Truffle Caramelised Balsamic contain Black Truffles grown in the pristine Tasmania environment which has the cleanest air in the world. Our Truffle Oils contains the finest Extra Virgin Olive Oil from the Hunter Valley region in NSW.
- Our Truffle Salt and Mustard contain Black Truffles from Western Australia's Famous Truffle region of Manjimup in the South of the state. Our Truffle Salt is created by combining these with Natural Lake Salt from Lake Deborah, a 5 million year old natural salt lake located in the remote regions of Western Australia, an ecologically pristine environment.
- This range has been developed in consultation with the worlds finest retailers to create a truly unique Truffle Experience presented in beautiful Gift Packaging.
