FOODSERVICE BROCHURE

Hi Cookie lover,

We love that you would like to be part of the Molly Woppy family and we'd like to take this opportunity to introduce ourselves to you and tell you a little bit about our Molly Woppy ways. You will soon discover, we love doing things a little differently and we hope you will love that about us.

For us, as a small artisan company baking the most delicious handmade cookies with amazing flavour and quality, we appreciate your support and your business means the world to us.

WHO WE ARE:
Molly Woppy is a family owned business and we are passionate about our baking. We love using classic recipes with fresh modern flavours, to create cookies to crave and treats to treasure – for gourmet food lovers everywhere.

From our humble beginnings where Alistair Parker, a passionate chef and partner Hayley Molloy started baking biscotti at home to meet the market, to a growing business employing over 20 staff, we have grown quickly as Kiwi's have come to know and love our range of quality sweet and savoury products.

Over the years the Molly Woppy team have continued to create and tinker with recipes and ideas that they know people will love and ensure that all our products are made with love.

OUR PRODUCTS:
Coming up with New Zealand's best-tasting gingerbread recipe and turning it out into a number of different ranges is our pride and joy. Our Gingerman is now proudly the Molly Woppy brand icon - adored by countless Kiwis for his gingerlicious goodness. He has the perfect blend of sugar and spice, creating a gingerlicious crisp gingerbread that is packaged in a really fun way.

Molly Woppy bakes Kiwi favourites, adding extra deliciousness, fantastic flavour and a sprinkling of fun. Gourmet treats for people who love really great baking.

Our passion is bringing innovative tastes and flavours to the market, creating products which are not main stream but offer a creative twist or a unique flavour for all to enjoy.

The Molly Woppy range is now extensive, comprising sweet and savoury products, as well as gluten and dairy-free options. We supply product to the foodservice industry and quality food stores across New Zealand.

OUR COMMITMENT TO QUALITY:
While our company grows and our product range expands, we continue to uphold our initial principles. The quality is always maintained and our products are made with the same original passion we started with.
