AUSSIE FAMILY-RUN GOURMET FOOD BRAND SMASHES ON TO THE INTERNATIONAL MARKET

From humble beginnings, Aussie businessman Matthew Jinks and his son Nick have taken their well established gourmet food brand **Random Harvest** from local Australian fine food retailers to the global stage. Currently rolling out internationally into retailers in Dubai, Singapore, New Zealand and the UK, Random Harvest now proudly sits on the shelves in the iconic Food Hall of **HARRODS** flagship store in London. It is safe to say the world cannot get enough of Aussie brand Random Harvest.

Harrods

OUR STORY

Australia is one of the most affluent and advanced countries in the world, and it is home to many multinational companies but when a small family owned and run business bursts onto the global market it's time to take notice.

For the past four decades luxury food brand Random Harvest has been harnessing the finest ingredients to create a range of delicious gourmet foods designed for not only for daring and curious cook but also ideal for luxury and corporate gift giving.

AUSTRALIAN MADE

COMMITMENT TO EXCELLENCE

Working with globally recognised brands **Mastercard**, **Virgin Velocity** and some of the world's most prestige car dealerships, Random Harvest is the go to for corporate gifting due to their unique product mix, premium packaging and design.

Random Harvest corporate and gifting specialists curate unique, custom gift boxes to suit the needs of all clients who has everything and you never know what to buy.

The Random Harvest team are committed to the quest for excellence in curating a food-forward range of the best gourmet food products capturing the purest ingredients. Random Harvest is ideal for those wanting exceptional quality and taste every day.

STANDOUT IN THE MARKET

THE RANGE

Quintessentially Australian, the extensive range includes rich sweet Caramelised Balsamics, pure Australian Truffle Oil, infused Extra Virgin Olive Oils, mustards, dessert sauces, tapenades, chutneys, spice rubs, dukkah and confectionery using traditional recipes with a unique twist. The entire range is gluten free yet full of flavour and the pure taste and exceptional quality of the Random Harvest range makes it a standout in the market.

MADE IN AUSTRALIA IN
SMALL BATCHES FROM
THE FINEST NATURAL
INGREDIENTS

FROM PRODUCERS IN ALL CORNERS OF AUSTRALIA

“Our range is made in Australia in small batches from the finest natural ingredients. We are now taking Australia to the world.” says Managing Director, Matthew Jinks. *“We source plump juicy kalamata olives from South Australia and delicious sweet red capsicums from Australia’s sunshine state Queensland for our Tapenades, pure earthy rich Tasmanian truffles dance around in our Australian Truffle Oil, and we only use the finest quality Extra Virgin Olive Oils from the NSW Hunter Valley”* adds Matthew.

Whether it’s a dollop of Rich Green Olive Tapenade on a cheese board or a slick of Aged Whisky Mustard on your burger, any jar of Random Harvest is a must in your pantry for everyday use or when entertaining guests.
