COCOFRIO LAUNCHES IN BAHRAIN

Cocofrio is excited to announce we have recently launched in Bahrain. 7T.House opened on the 6th of June and it serves healthy and delicious desserts to accompany their special-tea, with our Hazelnut-Choc flavour being the perfect match.

The positive feedback from customers has been overwhelming and we look forward to the success continuing throughout 2019 and beyond. [Click here](#) to check out their gorgeous desserts on instagram.

HISTORY OF THE COCONUT

Coconut oil, milk, water and all of it's other wonderful forms have been around for as long as we can remember, but people still debate just exactly where it came from. Coconut in general has been popular for thousands of years in tropical countries across the world. It had been widely used in Southern and Central American regions, India, Africa, and in almost all Asian countries. Despite this, it wasn't until the 1600's that the term 'coconut' came around.
