## Our Story

Temptation goes by many names and you'll find them all at Madhouse Bakehouse. Since opening our doors and ovens in 1997, we haven't looked back.

Based in Sydney, our mouthwatering array of brownies, cakes, slices and cookies are in hot demand all over Australia.

## Keeping it Real

Madhouse treats are baked using only premium ingredients. We keep it real, right from scratch. Real eggs, real butter, real cream. No hidden nasties. You can be assured that what we put into our products is as good as it gets.

## The Madhouse Range

Our range includes cookies, brownies, slices, cakes and breakfast options. We also offer a range of 'free from' options, including gluten-free and dairy-free, without compromising their incredible flavour. Our seasonal offerings make special occasions such as Christmas that much sweeter. And if you need a hand in the kitchen, we can help you turn your recipes into commercial quantities using our expertise and state-of-the-art facilities and contract manufacturing options.
