Zee's Love in a Jar Shakshuka sauce, is a traditional North African recipe passed down to her from her Moroccan grandmother.

With **Zee's Love in a Jar Shakshuka sauce**, you can whip up a rich, authentic Shakshuka in just 5 minutes.

This vibrant sauce has travelled the world.

Not only is it delicious with eggs, but it can be enjoyed with pasta, as a pizza base sauce, a flavourful topping for meat, fish, or veggies, or even straight from the jar as a wholesome dip.
