What People Love About Us

XAVIER SPECIALIST GROCERY BUYER AT FARMERS JACKS

As a buyer in the FMCG arena, we face the challenge of hand picking products to cater for our target customer from the massive pool of brands out there.

It was a no brainer when we took on Turban Chopsticks, as we could evidently see that the products ticked all the boxes for our consumers. As we believe in showcasing Australian brands who offer **healthy and nutritious products**, Turban Chopsticks was the ideal fit to fill the gap in our market. Their range offers **affordable, easy to use** meal kits and curry pastes that **taste authentic and homemade**.

As the range is also **vegan and gluten free**, it is a fantastic option for our health conscious customer and the growing market who buy **natural** products. Having stocked the range for the last 5 years, we have seen a significant increase in sales supported by in store activations and tastings as well as an active marketing and digital presence. As a result, we have attracted more customers to our stores who show loyalty to the brand that is true to their ethos.

CHRIS OWNER OF DINNER TWIST

We decided to collaborate with Turban Chopsticks for our meal delivery boxes as we knew they were a **local business** that aligned with our values. Our boxes are full of **fresh, seasonal produce** and we wanted to incorporate different flavours to provide delicious twists on classic meals. With the assistance of the Meal Kits range and Curry Pastes, our customers can easily prepare **authentic meals** in minutes.

They are packed **full of flavour** whilst still being **healthy and nutritious**. Our customers love that Turban Chopsticks have a wide variety of products that are family friendly and use clever cooking methods and techniques that everyone can follow.

What People Love About Us

EMILY OWNER OF BLOSSUM CATERING

I opened my catering business and café, focusing on baked goods and sweets with a limited range of wholesome, savoury food. I decided to delve into the savoury space and noticed that I was wasting a lot of time with prep. Turban Chopsticks has helped me lift my game and become my best friend in the kitchen with their innovative meal solutions that are really **simple and quick to whip up**.

Anyone can prepare a curry or use the Little Bites range as it is just so easy with their **clear instructions**. The dishes I create from their products cater for my customer base are well received by families and people who are time poor. I love the fact that I can change my specials of the week and cook their products with what is in season.

KIMBERLEY FROM PERTH

Absolutely love the range from Turban Chopsticks. The meal kits are **quick and tasty for a busy family** and the pastes are so good. Just like being in Singapore! They are vegan so **no nasties**. Highly recommend this West Australian product.

THE ARNOTTS FROM PERTH

Delicious, authentic pastes and packs to help add flavour and finesse to home made dishes. **Natural ingredients** and easy to use to make delicious meals that my whole family love. Love everything about the packaging and the contents!

JOHN FROM MELBOURNE

Turban Chopsticks is my GO TO! I'm a busy guy and don't have time to be creative in the kitchen. Their curries and kits ensure my meals are always delicious and exciting without any thought and **minimal prep time** - which I love.

Curry Pastes

NATURAL | GLUTEN FREE | VEGAN | NUT FREE | AUSTRALIAN MADE

We have delicately roasted and grinded all the spices needed to create traditional curry pastes with no nasties, cutting out the process of making it from scratch. We believe in slow cooking our natural sauces to perfection over many hours to develop those rich, aromatic and moreish flavours.

SAVE TIME IN THE KITCHEN WITH OUR VERSATILE AND EASY TO USE CURRY PASTE RANGE.
